

Select your finish

BRASS DOOR AND WINDOW FURNITURE

Drummonds handmade brassware comes as standard in polished unlacquered brass. Additional special finishes available to order are: Chrome (C), Nickel (N) or Patinated (P).

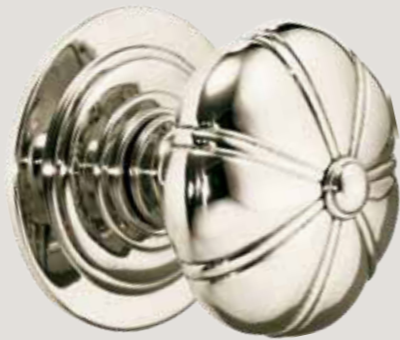

Below are some examples of our Nickel and Chrome finishes.

Brass **B** C N P

Chrome **B** **C** N P

Nickel **B** C **N** P

Choosing the finish

HAND PATINATION

Patination accelerates the normal aging process of unlacquered brass, giving it a distressed appearance. Each piece is individually treated by hand and depending on the treatment, varying colours and lustres can be achieved.

In order to best see the contrasts between finishes, we suggest that you visit a showroom. Whether you select black, brown, green finishes, all are available matt or polished.

Matt Green Patination **B** C N **P**

Matt Brown Patination **B** C N **P**

Polished Green Patination **B** C N **P**

Polished Brown Patination **B** C N **P**
