

DRUMMONDS

SOPHIE CONRAN PAINT COLLECTION

Sophie's fabulous shade card brings new excitement to the bathroom, with 12 unique gloss colours inspired by flowers, water and personal memories, which illuminate her work. With names such as 'Pistachio Ice Cream' and 'Mrs Peacock', the collection is an irresistible addition to Drummonds' beautiful cast iron baths. Sophie has chosen all finishes to be gloss (shiny) for low maintenance.

Please note colours are a rough match and the paint finish will vary slightly. Customer will need to see a sample finish for a better match which can be seen in our showrooms. Printing this document will result in varied colours which will not be exact.
